**A BILL**

To award a Congressional Gold Medal, collectively, to the individuals and communities who volunteered or donated items to the North Platte Canteen in North Platte, Nebraska, during World War II from December 25, 1941, to April 1, 1946.

1        *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4        This Act may be cited as the “North Platte Canteen  
5 Congressional Gold Medal Act”.

6 **SEC. 2. FINDINGS.**

7        The Congress finds the following:

1           (1) Home-front volunteerism was integral to the  
2           victory of the United States during World War II.  
3           Numerous exemplars of patriotism emerged through-  
4           out the Midwest, galvanizing the rural United States  
5           and the rest of the country supporting the war ef-  
6           fort.

7           (2) The North Platte Canteen in North Platte,  
8           Nebraska, was one of the largest volunteer efforts of  
9           World War II.

10          (3) Canteen services boosted morale in the  
11          United States by providing free, wholesome enter-  
12          tainment to troops traveling across the country. Ap-  
13          proximately 120 community-based canteens operated  
14          in the United States during World War II.

15          (4) The North Platte Canteen greeted and  
16          served food to approximately 6,000,000 United  
17          States troops traveling across the United States  
18          from December 25, 1941, to April 1, 1946.

19          (5) On December 17, 1941, the residents of  
20          North Platte, Nebraska, received information that a  
21          train of Nebraska National Guardsmen would be  
22          traveling through North Platte en route to the West  
23          Coast of the United States. Although the train car-  
24          ried members of the Kansas National Guard, resi-  
25          dents of the community welcomed the men from

1 Kansas with food and other items as an appreciation  
2 for their service.

3 (6) On December 18, 1941, Rae Wilson, of  
4 North Platte, proposed to her community the idea of  
5 establishing the North Platte Canteen so that resi-  
6 dents could greet United States troops en route to  
7 serving the United States in the European Theater  
8 or the Pacific Theater.

9 (7) 55,000 individuals, the majority of whom  
10 were women, from 125 communities in Nebraska,  
11 Colorado, and Kansas donated food and volunteered  
12 at the North Platte Canteen for approximately 5  
13 years.

14 (8) The North Platte Canteen provided hospi-  
15 tality to as many as 24 troop trains per day. During  
16 a 1-month period, the volunteers at the Canteen  
17 served over 40,000 homemade cookies, 30,000 hard-  
18 boiled eggs, 6,500 doughnuts, 4,000 loaves of bread,  
19 3,000 pounds of meat, 450 pounds of cheese, 60  
20 quarts of peanut butter, 1,350 pounds of coffee,  
21 1,000 quarts of cream, 750 dozen rolls, and 600  
22 birthday cakes.

23 (9) The North Platte Canteen principally oper-  
24 ated at the Union Pacific Railroad station in North  
25 Platte, Nebraska, with volunteers from local commu-

1 nities, organizations, churches, schools, and other  
2 groups, and without Federal assistance.

3 (10) \$137,000 in cash contributions supported  
4 the operations of the North Platte Canteen for al-  
5 most 5 years. The funds were raised through benefit  
6 dances, scrap-metal drives, school victory clubs, do-  
7 nation cans in local businesses, and from the rel-  
8 atives of troops who traveled through the North  
9 Platte area.

10 (11) In December 1943, the North Platte Can-  
11 teen was honored by the United States Army with  
12 the presentation of the Meritorious Wartime Service  
13 Award by the Secretary of War.

14 (12) In 2004, the 108th Congress passed a res-  
15 olution recognizing the heroic efforts of those who  
16 made enormous sacrifices to make the North Platte  
17 Canteen a success during World War II.
